„KISS-O-METER“ PARTNER EDITION

Place your hands on this „love tester“ – lady on the left, gentleman on the right – to see what it reveals about your romantic appeal. This early 20th-century automaton playfully tests compatibility.

16

„PAPA-JOKE“ MACHINE

Drop a coin into this automaton and enjoy a moment of famous German humor. The machine's wildly infectious laugh – a moment of humor you'll never forget, or understand.

13/14/15/18

„WIN A PRIZE“ SKILL BASED SLOT MACHINE

Test your skill on this 1950s machine. A perfect flick could win you a prize like gum or cigarettes. It cleverly bypassed gambling laws as a “trade stimulator.”

12

„VIOLETTA“ PERFUME VENDING MACHINE

Step back to 1907 with the „Violetta“ perfume machine. Insert a coin, pull hard on the lever, and enjoy a fragrant spritz of history – in the early 19th century it was the first step towards automated luxury.

10/6

MECHANICAL HEN & WITCH'S HOUSE

These whimsical 1920s „trade stimulators“ include the Richard Reichert Witch's House and the Mechanical Hen. The Witch's House offers a charming mechanical show and sweet treat. The Hen allows you to get the golden egg and win a full bottle of our house-made „Schmitz Doctor“ schnapps.

7/8/9

MUTOSCOPE „HAND-CRANKED MOVIE THEATER“

Turn the crank on this 1894 Mutoscope to bring a vintage film to life. The physical act connects you uniquely to the origins of cinema. Some movies might contain adult content.

SELFPLAYING INSTRUMENTS

Experience a piece of history by activating our collection of German selfplaying instruments. Before the era of streaming or even kassets, these intricate machines provided on-demand entertainment. Simply insert a coin and enjoy a private concert.

1/2

ONE-ARMED BANDIT

Pull the lever of this classic 1930s machine and feel the thrill of pure chance. With a little luck, a whole bottle of our „Schmitz Doctor“ schnapps could be yours.

3

„CAILLE MASCOT“ GRIP STRENGTH TESTER

Challenge your friends with this 1905 Grip Check machine. Insert a coin and squeeze the handles to see how you measure up – a first step to interactive, skill-based games.

4

KOBOLD VENDING MACHINE

Experience a piece of retail history with this functioning Kobold machine from the 1930s. Insert a coin and enjoy a sweet treat. This vending pioneer laid the foundation for the modern vending industry.

5

BILL-TO-COIN CHANGER

This machine provides the Coins you need to bring our unique collection of historic automata to life.
